

- H1 MountingHole
- H2 MountingHole
- H3 MountingHole
- H4 MountingHole

$V_f = 1.4\text{V}$ typical at 100mA
 $3.3\text{V} - 1.4\text{V} = 1.9\text{V}$
 $1.9\text{V} / 20\text{mA} = 100\text{ ohms (per pin)}$
