# Failure In Time Report

ST Confidential

Confidence Level

60 %

Average Junction Temperature

55 °C

Activation Energy

0.7 eV

Commercial Product :  
SMA6F5.0A-TR

< 0.06  
FIT

> 2.06M  
MTTF (Years)

High FIT data do not necessarily reflect a limited product life time but generally limited sample size used for the computation and Chi2 law.
